

Briefing on Retailers' Requirement for Barcode on the Outer Case Carton/Logistics Unit

Wisma FMM, Bandar Sri Damansara, Kuala Lumpur

Getting Ready for Retailers' Requirement for Barcode on Outer Case Carton?

Retailers are looking into improving their logistics efficiency by implementing barcoding system at their receiving end/distribution centre (DC). The use of barcode scanning during receiving of goods will improve accuracy, speed and efficiency. Therefore, retailers have started to request their suppliers to implement barcode on outer case carton (OCC).

GS1 Malaysia Can Assist You!

GS1 Malaysia is committed to support and ensure that our members comply with retailers' requirement. GS1 Malaysia would like to invite you to attend the briefing and learn **HOW** to assign the GS1 identification number and implement barcode on the outer case carton.
