Product Listing / Images Submission

“ **Important Submission Guidelines:**

1. Data submission is only available to active **Verified by GS1 & GAC Support & Services (VbG & GACSS)** subscribers.
2. All submissions must comply with GS1 Malaysia's **Product Listing Terms and Conditions**.
3. All data is submitted into GS1-managed data repositories only. GS1 does not share your information with other 3rd parties, in compliance with the Malaysia Personal Data Protection Act 2010 (PDPA).
4. You may submit product-level (purchased by end-consumer or used on patient) information and carton-level (storage and logistics, does not sit in a retail shelf) information for upload into GS1-managed repositories.
5. New product entries, data amendments, and image submissions each count as a submission.
6. Contact GS1 Malaysia at databank@gs1my.org if you have any questions.

Retail / Non-Retail Unit Listing Template : [Click to Download](#) & How to fill in the Product Listing Template Guide : [Click to Download](#) & GPC Listing : [Click to Download](#)

Files must be less than **2 MB**.
Allowed file types: **xls xlsx**.

Last Barcode Assigned

Product Images

Choose File

No file chosen

Upload

For Product Image, a maximum of 3 images allowed for each product (total 10 per member). You can attach the product images in a zip file after naming each image "your_product's_barcode_number.jpg", where "your_product's_barcode_number" is replaced with your product's assigned barcode number. If you want to add more than 1 image for that product (up to the maximum of 3), then name them as follows: "your_product's_barcode_number"-1.jpg, "your_product's_barcode_number"-2.jpg, "your_product's_barcode_number"-3.jpg

Files must be less than **2 MB**.
Allowed file types: **zip**.
